Printable Grid Companion

Use these unbound working sheets for a clean second attempt. Each case number matches the main book. Print copies for your own puzzle solving.

PRINTING INSTRUCTIONS

- For US Letter paper, print at Actual Size or 100%.
- For A4, use Fit to Printable Area and check one sheet first.
- Each case page contains all its blank grids, without answers.
- Use the category key on the sheet and clues in the book.

Select PDF page 2 for Case 01, page 3 for Case 02, and so on. These are printable sheets, not interactive form fields. A4 scaling makes cells slightly smaller.
